

MC40

AB1375DW

DirectTouch OP Case with an adjustable hand strap. Get a better grip on your device while adding protection!

AB1345DW

Wearable OP Case with comfort lamination backing. Work with both hands and still capture data!

AC1549DW

Hand strap attaches onto the device with our provided mounting hardware for an easy way to reduce accidental drops. Fully adjustable and intuitive to use!

AC1731DW

Horizontal holster attaches to user with a sewn belt loop while a retaining strap keeps everything in place. Special sides allow use of MC40 with MSR.

AB1323DWCC

Holster provides easy-in, easy-out access to the device while a rugged cell clip makes for hassle free user attachment.
