

TABLETS

Universal 10" Hand Strap

The elastic straps are sure to secure a variety of tablets, while allowing the user a firm grip on the device.

10" Shoulder Sling

Shown with the available MSR attachment, this configuration can be customized to fit your needs!

10" Rotating Hand Strap

The straps secure the device while the D-rings enable it to be attached and carried in a variety of ways. Also universal.

Holster Sling

This ruggedized shoulder sling uses a flap to secure the tablet. Available in many sizes with customization.

Universal 7" Hand Strap

Fitting over an array of cases and tablets, this hand strap allows for easy handling and multiple ways to carry.

Universal 7" Holster

This holster is ruggedized with heavy duty material, while still allowing easy access. Custom sizing available.
