AD2060DW

ULTIMACASE

Safety holster with a reflective strip increases visibility while an integrated metal belt clip makes attachment quick and easy.

AC1621DW

Holster's magnetic retaining strap keeps the device secure while a rugged cell clip makes for hassle free user attachment.

AC1619DW

DirectTouch OP case features a neoprene backing that stretches to fit extended battery models. D-rings create more ways to carry with optional sling.

AD1977DW

Work with both hands and still capture data! Fully adjustable straps and breathable lamination for user comfort. Removable OP case!

AC1826DW

Holster provides easyin, easy-out access to the device while a rugged cell clip makes for hassle free user attachment.
